4:00-4:15	Closing Session	Ron Gordon Executive Director, Commission on Criminal and Juvenile Justice

The goal of the summit is to create a comprehensive picture of the collaborative response to child sexual abuse and to lay a foundation to help responding agencies build responsible and successful responses in Utah. Child sexual abuse requires a complex response involving multiple agencies with varying resources, roles, and responsibilities. Through this process you will share information on successful strategies, and remaining challenges, and identify needs for further training in the future.
